FL BH Impact is here to help during the COVID-19 Pandemic!

The FL BH IMPACT program psychiatric consultation line is open and is available to you and the perinatal provider community statewide Monday - Friday. The team continues to provide COVID specific behavioral health resources and referrals, as well as psychiatric consultation for obstetrical providers.

Call today for help navigating the mental and behavioral health needs of your patients! Resource/Referral services with Dr. Shabaka-Haynes and consultation with Psychiatrist/Obstetrician Dr. Roussos-Ross.

Opioid Use Disorder

What do obstetric providers need to know about the Urgent Maternal Mortality Message?

The Florida Perinatal Quality Collaborative (FPQC) and Florida Department of Health have developed the following resources about this life threatening chronic condition, dangerous to pregnant and postpartum women.
